Puppy ears and nose

Print at 100% / Actual size. Cut around the outside, leaving a small white edge.

Size check: this line should measure 2 inches / 50.8 mm.

Print on card your printer accepts.

Tape a blunt paper straw or craft stick to the back; keep the end below the face.

An adult should cut and assemble. Keep small parts and sticks away from young children.

Personal events: print as many copies as you need. Do not resell or redistribute files.
